The information contained within or made available on any Toyota platform or note including but not limited to, this website/brochure/specification sheet, is provided for information purposes only. While we make reasonable efforts to update the information on our platform/s, Toyota Motor Corporation of Japan, and Toyota South Africa Motors (Pty) Ltd makes no representations, warranties, or guarantees, whether express or implied, that the content is accurate, complete or up to date, and all information contained herein is subject to change without notice.

Vehicle specifications may vary depending on the model, trim level, and market. Colours depicted on print and web material may not match the actual vehicle colour. Fuel consumption figures are estimates based on standardised testing conditions and actual results may vary due to (but not limited to) driving style, vehicle loading, tyres, wind, traffic, and accessories. All dimensions, capacities, and performance figures are approximate. Some features/options may be optional or only available on certain models/trim levels. Images and illustrations are for illustrative purposes only and may not reflect the actual vehicle.

Your use of, or reliance on, any information or contents herein is entirely at your own risk. Toyota Motor Corporation of Japan and Toyota South Africa Motors (Pty) Ltd (including its owners, agents, consultants, employees, and any affiliated person(s)) are not responsible for any loss or damages related to your use of, reliance on, or understanding of any information or contents on this or any other Toyota platform. This includes, without limitation, any direct, indirect, special, incidental, consequential, or punitive damages in terms of any contract, delict (breach of a duty of care) or law.

Furthermore, Toyota Motor Corporation of Japan and Toyota South Africa Motors (Pty) Ltd do not guarantee the uninterrupted or error-free operation of any platform or the availability of content, and are not liable for any interruptions, errors, or damages caused by any technical issues or limitations of these platforms, including but not limited to, server downtime, software malfunctions, or internet connectivity issues.
